The steamer Kauai will not leave for Lahaina again till next Monday. She is loading her sugar on to the bark Albert.

Purser Simerson of the steamer Kauai, which returned last night from Kaanapali, reports that there has been plenty of rain at that place.

The only freight taken on by the S. S. Alameda yesterday for the Colonies was a package of medicine, 3 bags of coffee and a basket of clothes.

The transport Leelanaw left late yesterday evening for San Francisco. She will return with more horses for Manila and will leave them here, taking those she left this time on to the Philippines.

CONSUMPTIVE HOSPITAL.

NEW YORK, September 2.—A special to the Sun from Washington says: Orders were issued today by direction of the Secretary of War, authorizing Surgeon-General Sternberg to establish a general hospital at Fort Bayard, New Mexico, as a sanitarium for the treatment of officers and enlisted men of the Army suffering from pulmonary tuberculosis. Hereafter transfers of enlisted men suffering from this disease may be made to this hospital upon the recommendation of medical officers of the Army.

TO INSPECT THE POST.

Assistant Surgeon General Charles R. Greenleaf has been ordered to inspect the sanitary condition of the Honolulu Post.

"FOR THE SAKE OF FUN, MISCHIEF IS DONE."

A vast amount of mischief is done, too, because people neglect to keep their pure. The mischief appears in eruptions, dyspepsia, indigestion, nervousness, kidney diseases, and other ailments. This mischief, fortunately, may be undone by the faithful use of Hood's Sarsaparilla, which cures all diseases originating in or promoted by impure blood.

HOOD'S PILLS cure all liver ills. Non-irritating.

A GOOD THING.

There's one good thing when they feel dry
That business men cannot pass by,
For far and wide it's fame you hear,
They stop to drink of "Rainier" beer.

Good Salesmanship

ISN'T everything to good store keeping; even a good salesman falls when he tries to sell cautiously, clothing that isn't made as it should be. In the long run only the best clothing pays; especially when the best clothing can be had at the price of the next best. Our clothing is so well made, so attractive in appearance and looks so desirable that it requires less energy and breath and persuasion on the part of the salesman to sell it.
After we have sold it once, we can sell it with still less effort to the same customer. It is the kind of clothing that brings your customer back again and again—the kind with which we can build up a lasting trade. And that is what we are doing in all our lines.
